Draft Agenda	
09:00 - 10:00	*Registration and welcome coffee*
10:00 - 10:15	Welcoming speeches
10:15 - 10:45	Keynote speech: Data as a cornerstone of a health ecosystem
10:45 - 11:35	**Panel 1:** **MyHealth@EU – data, data, data…** Data in e-health services and the MyHealth@EU infrastructure present both a great opportunity and a challenge. During this session, the panellists will discuss a number of issues regarding the current framework of cooperation between Member States in the area of e-health, the services already available to Polish citizens and those in other countries, and the benefits and risks identified from the patients' perspective based on experience so far. They will also aim to answer questions such as what to pay special attention to when developing e-health services, and how to increase trust in the use of these services and in data sharing.
11:35 - 11:45	Questions from the audience
11:45 - 12:15	*Coffee break*
12:15 - 13:05	**Panel 2:** **European Health Data Space – patients at the centre** The panel will focus on the European Health Data Space, emphasising the role of patients, their rights and the advantages of digitalising healthcare, including improved access to electronic health records. The discussion will also cover challenges related to privacy, personal data processing and patient trust in new technologies.
13:05 - 13:15	Questions from the audience
13:15 - 14:15	*Lunch*

	Panel 3:
14:15 - 15:05	**Panel 3:** **Cybersecurity of data – what do we do to protect it?** The sharing of data is strongly dependent on trust in confidentiality and integrity of information. In the panel we will discuss, and present efforts undertaken by different stakeholders to sufficiently address this issue, and thus to secure the exchange. Patients' trust in how the data is handled should enhance the willingness to participate in sharing and benefiting from e-health.
15:05 - 15:15	Questions from the audience
15:15 - 15:30	Wrap up and closing
